# ROCKSHOP COFFEESHOP

## MENU

**ROCKSHOP HISTORY** The Bulldog Rockshop started out as a cafe/coffeeshop where people were welcome to enjoy a beer and smoke a joint. The great atmosphere and good music led to many visits of famous artists which we all gave a permanent stay on our walls. Have you seen the pictures? You can call the Rockshop a tribute to the Rock era, because of the decorations and the choice of music. The Bulldog Rockshop is a coffeeshop where you can smoke a joint, sit back, relax and just enjoy.
