PALACE GRAND CAFÉ

Henk de Vries, owner of The Bulldog, has always been down for a joke. After getting arrested many times during his fight for legalization, the building on Leidseplein where the police station was situated went on sale. This was a once in a lifetime opportunity and Henk didn't doubt it for a moment. He bought the building! And on a memorable day called April Fool's Day, Henk opened grand cafe The Bulldog Palace with the coffeeshop Ex-Police Station next to it
